Research Interests:

- Archaeology of the Plains and Rocky Mountains
- Pleistocene and Holocene hunter-gatherers
- Prehistoric technology: primarily the organization of lithic systems in small-scale societies

Education:

- Ph.D. in Anthropology, Southern Methodist University, 1999. Thesis: *A Dynamic View of Paleoindian Assemblages at the Hell Gap Site, Wyoming: Reconstructing Lithic Technological Systems*. Committee: D. Meltzer (chair), L. Binford, G. Frison, A. Marks, J. Pélegrin.
- Masters in Anthropology, Southern Methodist University, 1992.
- D.E.A. (advanced graduate degree) in Quaternary Studies, Institut de Paléontologie Humaine, Muséum d'Histoire Naturelle, Paris, France, 1989. With honors, first in class. Thesis: *Core Reduction Techniques: a Technological Approach of the Mousterian Site of Les Ramandils (Port la Nouvelle, Aude, France)*.
- Licence (equivalent to B.A) in Ethnology, Université des Sciences Humaines de Strasbourg, France, 1988.
- Maîtrise (Masters) in Art History and Archaeology, Université Paul Valéry, Montpellier, France, 1987. With honors. Thesis: *Contribution to the Study of the Mousterian Lithic Industries of the Cave of le Portel (Ariège, France)*.
- Licence (equivalent to B.A) in Art History and Archaeology, Université Paul Valéry, Montpellier, France, 1987.

Relevant Professional Experience:

2010- Assistant Professor, Department of Anthropology, University of Kansas, Lawrence.
2006-10 Assistant Professor, Department of Anthropology, University of Northern Colorado, Greeley.
2005-06 Adjunct faculty member, Department of Anthropology, University of South Florida, Tampa.
2004-05 Honorary Fellow, Department of Anthropology, University of Wisconsin, Madison.
1999-03 Post-doctoral researcher, the Journey Museum, Rapid City, South Dakota.

Research Work and Publications:

Grants and Funded Projects:

- 2009-13 The Bureau of Land Management, Little Snake district. "Northwestern Colorado Paleoindian Project". PI with R. Brunswig. Five-year assistance agreement, funded amount: \$50,000. To-date annual grant amounts are for year 2009: \$10,000; 2010: \$7,000.
- 2009-13 The Bureau of Land Management, Kremmling district. "North Park Cultural Landscape project." Co-PI with R. Brunswig. Five-year assistance agreement, funded amount: \$50,000. To-date annual grant amounts are for year 2009: \$10,000; 2010: \$7,000; 2011: \$14,000.
- 2009 Smithsonian Institution Senior Fellowship "Weaponry manufacture and prehistoric adaptations: quantifying projectile point production at the Lindenmeier site".
- 2009 The Colorado Historical Society, State Historical Fund, grants for historic preservations, "North Park Cultural Landscape project (Phase 2)." Co-PI with R. Brunswig. Grant amount: \$53,000.
- 2008 The Colorado Historical Society, State Historical Fund, grants for historic preservations, "North Park Cultural Landscape project." Co-PI with R. Brunswig. Grant amount: \$47,000.
- 2008 The Bureau of land Management, Kremmling district. "North Park Cultural Landscape project." Co-PI with R. Brunswig. Funded amount: \$4,000.
- 2008 The Bureau of Land Management, Little Snake district. "Technical Study and Analysis of Artifacts and Faunal Material for Archeological Site 5MF625". PI with R. Brunswig. Grant amount: \$2,200
- 2008 The Bureau of Land Management, Kremmling district. Archaeological Reconnaissance of 5MF625, Moffat County, CO (Little Snake River). PI with R. Brunswig. Grant amount: \$2,500
- 2006 awarded a Smithsonian Institution Postdoctoral Fellowship (unable to accept due to competing obligations at University of Northern Colorado).
- 2002 National Science Foundation grant, "People on the Fringe: Exploitation of Contrasting Environments on the North American Plains", NSF#0209605. Grant amount: \$22,000.
- 2000 Ludwick Foundation grant, "Discovering Archaeology". Grant amount: \$31,000.
- 2000 \$23,000 in private funds for the Jim Pitts project.
- 1993 National Science Foundation doctoral dissertation grant, "A dynamic view of Paleoindian assemblages at the Hell Gap site, Wyoming: reconstructing lithic technological systems". NSF#SBR-9317353. Grant amount: \$11,000.
- 1990 Lurcy Foundation grant (Fulbright). Grant amount: \$12,000

Awards, Honors, and Professional Recognition:

- CNRS (Centre National de la Recherche Scientifique), Research Associate, UMR 7194 (USM 103) - Préhistoire et Paléolithique: peuplements, environnements, comportements. Département de Préhistoire du Muséum National d'Histoire Naturelle, Paris, France (since 2011).
- Smithsonian Institution, Washington D. C. Research Associate in the Paleoindian/Paleoecology Program at the National Museum of Natural History (since 2010.)
- National Museum of Natural History (MNHN), Paris. Visiting Professor, Institute of Human Paleontology (IPH), February 2011.
- University of Northern Colorado. Outstanding Faculty Nominee, recognized by a "First Year Scholar" (outstanding freshman) 2010.

- University of Northern Colorado. College Scholar Award in the College of Humanities and Social Sciences, 2009.
- University of Northern Colorado. Award for Excellence in Social Science Research and Scholarly Activity (for junior faculty). School of Social Sciences, 2009.
- Southern Methodist University. Weber Graduate Fellowship Award and Graduate Dean Award (dissertation grants), 1997.
- University of Wyoming. First scholar in residence at the George Frison Institute. 1996.
- Fulbright scholar, (Franco-American Commission for Educational Exchange; Lurcy Foundation grant), 1990.

Papers Presented at Symposiums:

- 2011 The Numic Expansion, Ute Archaeology, and the Southern Rockies: New Insights from Stratified Hunting Camp Occupations in Colorado's North Park Valley, with R. Brunswig. Presented at the Rocky Mountains Anthropological Conference, Missoula, Montana, October 6-9, 2011, in "Federal Lands Heritage and Cultural Resources Research in the Rocky Mountains: a showcase of Cooperative Ecosystem Studies Unit (CESU) System Projects", chaired by Pei-Lin Yu and Robert Brunswig.
- 2010 Archaeology and Civic Engagement Partnerships on Public Lands, with R. Brunswig. Presented at the 43rd Annual Chacmool Conference, Calgary. November 2010
- 2010 « Ceci n'est pas une pipe? » A Possible Paleoindian Pipe from the Lindenmeier Site, with M. Jodry and D. Stanford. Poster presented at the 75th Annual Meeting of the Society for American Archaeology. St. Louis. April 2010.
- 2008 The Cathedral Butte Site: A Late Paleoindian Assemblage from North West Colorado, with R. Brunswig, J. Mayer and R. Watkins Morris. Poster presented at the 66th Annual Plains Anthropological Conference, October 1st-4th 2008 Laramie, Wyoming.
- 2008 Ten Thousand Years of North Park Archaeology: Current Status of UNC's North Park Cultural Landscapes Project, with R. Brunswig. Presented at the Colorado Council of Professional Archaeologists Annual Meeting, April 2008, Fort Collins.
- 2008 Missing the Forest for the Trees: Uses and Abuses of Projectile Point Typology in Paleoindian Archaeology. Presented in "The Paleoindian Research Frontiers" organized by R. Brunswig and B. Pitblado, at the 73rd Annual Meeting of the Society for American Archaeology. Vancouver. April 2008.
- 2007 Parsing a Montane Park Landscape for Clues to Paleoindian Prehistoric Adaptations: Analytical Frameworks for the UNC North Park Cultural Landscape Project, with R. Brunswig. Presented in "Paleoindian Research in the Southern and Middle Rocky Mountains", organized by Bonnie Pitblado, at the Rocky Mountain Anthropological Conference, October 25th-28th Jackson, Wyoming.
- 2007 An Avonlea Rock Shelter in the Black Hills: Report on Test Excavations at the Movie Draw Site (39CU1401), with M. Fosha. Presented in "Caves and Rockshelters of the Black Hills", organized by A. Tratebas and R. Weathermon, 65th Annual Plains Anthropological Conference, October 10th-13th Rapid City, South Dakota.
- 2007 Mountain Basin Hunting Systems and Strategies: Evidence from UNC's North Park Cultural Landscapes Project, with R. Brunswig. Presented at the Colorado Archaeological Society Meetings, September 29th, Aurora, CO.
- 2007 Folsom retooling strategies, presented in "Current and Future Directions in the Paleoindian Archaeology of the Great Plains and Southwest", organized by M. Bever, 72nd Annual Meeting of the Society for American Archaeology. Austin. April 2007.
- 2006 Invited participant, closed-door workshop: "Special Session: Hard Comparisons: Paleoindian-Archaic Lithics in Person", Chairs: Jack L. Hofman and Neal H. Lopinot, 64th Annual Plains Anthropological Conference, Topeka, November 2006
- 2006 Discussant in "Refitting in multiple contexts: Why aren't we doing more of it?" organized by G. McCall, 71st Annual Meeting of the Society for American Archaeology. San Juan. April 2006
- 2006 How Late Is Late? Presented at the 71st Annual Meeting of the Society for American Archaeology. San Juan. April 2006, in "Hunter and Gatherer lifeways of the early Holocene", organized by S. Hurst and J. Taylor-Montoya.
- 2004 The Movie Draw Rockshelter, a Late Woodland-Late Prehistoric Presence in the Black Hills, with M. Fosha, presented at Island in the Plains, 12th Annual Black Hills Archaeological Symposium. Keystone, May 2004.

- 2003 Preliminary Assessment of the Late Woodland-Late Prehistoric Archaeological Sequence at the Movie Draw Rockshelter, South Dakota, with M. Fosha. Presented at the 61st Annual Plains Anthropological Conference, Fayetteville October 2003
- 2003 2003 Excavations at the Clary Ranch Site, Garden County (Ash Hollow), Western Nebraska: Resolving aspects of the Formation History, with M. G. Hill et al. Presented at the 61st Annual Plains Anthropological Conference, Fayetteville October 2003
- 2002 Archaeofaunal Remains from the Jim Pitts Site, Custer Co., South Dakota, with M. G. Hill and J. Donohue. Presented at the 60th Annual Plains Anthropological Conference, Oklahoma City, October 2002.
- 2002 Folsom Specialists? Where Is the Point? Presented at the 66th Annual Meeting of the Society for American Archaeology. Denver, March 2002.
- 2001 Stones in Space: Voyage in Virtual Reality? Presented at the 65th Annual Meeting of the Society for American Archaeology. New Orleans. April 2001, in "Multiple Occupations and Complex Depositions: Archaeology in Three Dimensions (Beyond Stratigraphy?)" organized by M. Kornfeld and J. Enloe.
- 2001 The Jim Pitts Site and the Goshen-Plainview Problem", with J. Donohue, presented at the 65th Annual Meeting of the Society for American Archaeology. New Orleans. April 2001.
- 2001 The Movie Draw Site, a Multi-Component Rockshelter in the Eastern Black Hills, with M. Fosha, presented at Island in the Plains, 9th Annual Black Hills Archaeological Symposium. Rapid City, February 2001.
- 2001 New Paleoindian Finds in Western South Dakota, Implications for Black Hills Prehistory, with M. Fosha, presented at Island in the Plains, 9th Annual Black Hills Archaeological Symposium. Rapid City, February 2001.
- 2001 2001 Investigations at the Clary Ranch Site, Garden County (Ash Hollow), Nebraska, with M. G. Hill et al. Presented at the 59th Annual Plains Anthropological Conference, Lincoln October 2001.
- 2000 Refinements of Folsom Subsistence and Technological Organization at Agate Basin, with M. G. Hill, presented at the 58th Annual Plains Anthropological Conference, St. Paul November 2000.
- 2000 Two Steps Forward, One Step Back: The Inference of Mobility Patterns from Stone Tools. Presented at the 64th Annual Meeting of the Society for American Archaeology, Philadelphia April 2000.
- 2000 Organizer of the Symposium: Subsistence, Material and Demographic Approaches to Mobility, with R. Greaves and P. Yu, Philadelphia, April 2000. Participants: M. Alvard, L. Binford, N. Chagnon, C. Chang, M. Conkey, N. Craig, R. Greaves, R. Kelly, M. Ogilvie, G. Politis, D. Price, F. Sellet, P. Thacker, G. Tostevin, P. Veth, P.L. Yu.
- 1999 Preliminary Analysis of the Jim Pitts Lithic Collections: the Paleoindian Levels. Presented at the 57th Annual Plains Anthropological Conference, Sioux Falls, October 1999.
- 1998 Stone Tools, mobility and subsistence: New Insights into the Economic Organization of Early Paleoindians at the Hell Gap Site, Wyoming. Presented at the 63rd Annual Meeting of the Society for American Archaeology. Seattle. April 1998.
- 1996 Organization of Chipped Stone Technology at the Hell Gap Site: the Early Paleoindian Complexes, with M. Kornfeld. Presented at the 61st Annual Meeting of the Society for American Archaeology. New Orleans, 10-14 April 1996.
- 1994 Hell Gap Revisited, with G. Frison. Presented at the 59th Annual Meeting of the Society for American Archaeology. Anaheim, 20-24 April 1994.
- 1993 Another Look at Folsom Technology. Presented at the 58th Annual Meeting of the Society for American Archaeology. St. Louis, April 14-18, 1993.
- 1993 Technological Analysis of the Levallois Reduction Strategy of an African Khormusan Assemblage. Presented at "The definition and interpretation of Levallois technology", organized by H. Dibble and O. Bar Yosef. Philadelphia, May 11-15, 1993.
- 1992 The Operating Chain: the Concept and its Applications. Presented at "Archaeological lithic classification: philosophy, purposes, taxonomy and communication", organized by J. L. Lanata and M. B. Collins, The University of Texas at Austin, October 22-23, 1992.

Guest Lectures:

- 2011 Institute of Human Paleontology (IPH), Paris: "La mobilité des groupes Folsom et l'organisation de leur technologie lithique"
