VITA

2017

POSITION Associate Professor of Anthropology, Department of Anthropology, University of Kansas
Courtesy Curator, Archaeological Research Center, Biodiversity Institute, University of Kansas

ADDRESS Department of Anthropology, 622 Fraser Hall, 1415 Jayhawk Blvd., Lawrence, Kansas 66045-2110
e-mail: hofman@ku.edu FAX: (785) 864-5224
Cell phone: 785 766-7068 Office: (785) 864-4103

EDUCATION

- Ph.D. 1986 University of Tennessee, Knoxville (Anthropology)
Dissertation Advisor: Walter E. Klippel
- M.A. 1984 University of Tennessee, Knoxville (Anthropology)
1977-78 Graduate Studies, University of Wyoming, Laramie (Anthropology)
- B.A. 1976 University of Oklahoma, Norman (Anthropology)

RESEARCH INTERESTS

Great Plains Archaeology (Paleoindian through Historic periods)
Hunters and Gatherers (mobility, technology & interaction)
Peopling of the New World
Archaeological Method and Theory
Regional and Large Scale Patterning in the Archaeological Record
Technology and Culture Change
Lithic Analysis
Zooarchaeology
Mortuary Practices among Hunter-Gatherers
Prehistory of the Eastern U.S.
Upper Paleolithic Archaeology, Western Europe
Paleoecology and Evolutionary Ecology

CURRENT POSITION

1996- University of Kansas, Department of Anthropology, *Associate Professor*; I teach a wide variety of undergraduate and graduate level archaeology courses and seminars, direct fieldwork in Kansas, Oklahoma, Colorado, and Texas, and France and supervise graduate student thesis and dissertation research on faunal and lithic studies.

1991-96 University of Kansas, Department of Anthropology, *Assistant Professor*; Archaeological Research Center (Museum of Anthropology), Courtesy Curator. I taught a variety of undergraduate and graduate level archaeology courses, directed fieldwork in Kansas, Oklahoma, and Texas, and supervised student research on faunal and lithic studies. I directed lithic analysis of Upper Paleolithic collections in France.

COURSES TAUGHT (University of Kansas):

Introduction to Archaeology (ANTH 110, 310);
Introduction to Archaeology Honors (ANTH 111);
Prehistory of Kansas (ANTH 318);
Laboratory Techniques in Archaeology (ANTH 406);
Training in Archaeological Field Work (ANTH 419, 890);
Summer Archaeological Field School (ANTH 418, 889);
Topics in Archaeology: Method and Theory (ANTH 500);
North American Archaeology (ANTH 504);
Prehistory of Eastern North America (ANTH 505);
Hunters and Gatherers (ANTH 516);
Environment and Archaeology (ANTH 518);
Lithic Technology (ANTH 519);
Zooarchaeology (ANTH 521);
Great Plains Archaeology (ANTH 523)
History of Anthropology (ANTH 701);
Current Archaeology (ANTH 702);
History of American Archaeology (ANTH 710);

Seminar in Plains Archaeology (ANTH 715);
Seminar in Archaeology: [Paleoindians, Peopling of the New World, Domestic Space] (ANTH 849);
Data Analysis in Archaeology (ANTH 851);
Theory and Current Problems in Archaeology (ANTH 853);
Responsible Research in Anthropology (ANTH 707).
Also supervised numerous directed readings courses, senior honors theses, master's theses, and Ph. D. dissertations.

Chair Ph.D. student committees: degrees awarded 9
Chair M. A. student committees: degrees awarded 18
Chair Sr. Honors Theses student committees: degrees awarded 12
Member, Ph.D. and M. A. student theses committees in anthropology at KU: degrees awarded 13 (Ph.D.) and 25 (M.A.)
In addition I have served on several graduate committees for students in other departments including Geography and Geology and at other universities.

Ph.D. GRADUATE COMMITTEES CHAIRED:

Steve R. Holen. 2001. Clovis Mobility and Lithic Procurement on the Central Great Plains of North America.

COMMITTEE SERVICE: ANTHROPOLOGY DEPARTMENT

Undergraduate Committee (currently)
Odyssey Archaeological Research Program (Board of Advisors, 2003 to present)
Associate Chair, Department of Anthropology (2009-2015)
Graduate Committee (chair, multiple years, 3 times), Graduate Coordinator, Graduate Committee (member), Departmental Steering Committee, Undergraduate Committee (member), Anthropology Merit Evaluation Committee, Anthropology Web Site Committee, Library Acquisitions Liaison, Publications in Anthropology Committee (chair), Curriculum Committee, Web site Committee, Vision Committee, Mark Kappelman Award Committee (chair), Carlisle Smith Award Committee (member), , Chair Search Committee for N. A. Archaeologist (3 searches), Chair Search Committee for Old World Archaeologist, Co-Chair Search Committee for Geoarchaeologist; Curriculum Committee; Departmental Three Year Faculty Review Committee; Search Committee member for Biological Anthropologist.

COMMITTEE SERVICE: UNIVERSITY AND COLLEGE

General Research Fund Social Sciences Selection Committee (2 times),
Chancellors and Honors Fellowship Committee,
College Ad Hoc Committee on Internal Affairs (2004 member),
CLAS Sabbatical Review Committee (2007-2009),
Anthropology Department and Anthropology Museum Liaison Committee,
ODYSSEY Geoarchaeology Program board of directors (2003- present)

POSITIONS HELD AND RESEARCH EXPERIENCE

1986-91 University of Oklahoma, Oklahoma Archaeological Survey. *Staff Archaeologist*. Directed research in western Oklahoma and Texas. Supervised student research projects and assisted in training avocational archaeologists in surveying, excavation, and laboratory methods. Conducted systematic recording of private archaeological collections.

1989-91 University of Oklahoma, Department of Anthropology, *Adjunct Assistant Professor*. Taught graduate level courses on Paleoindians, Hunters and Gatherers, and Archaeological Field School.

1986 University of Tennessee, Department of Anthropology. *Research Assistant Professor* in Anthropology. Taught Introduction to archaeology.

1985 University of Tennessee, Department of Anthropology. *Instructor*. Taught Introduction to Archaeology.

- 1979-85 University of Tennessee, Department of Anthropology, *Senior Research Technician*. Columbia Archaeological Project. Supervised controlled surface collections and excavation of buried Archaic sites. Analysis of lithics, geomorphology, and burial data from buried Archaic sites and shell middens in Middle Tennessee.
- 1978-79 Illinois State Museum, *Intern in Archaeology*. Analysis of Hopewell, Woodland and Mississippian materials from the Twenhafel site in southern Illinois.
- 1978 Powers Elevation Company, Archaeological Division. *Staff Archaeologist*. Survey and evaluation of energy development sites throughout Wyoming. Included Paleoindian, Archaic, and Historic sites.
- 1978 Oklahoma Archeological Survey, *Consulting Archaeologist*, Survey and evaluation of prehistoric sites in eastern Oklahoma.
- 1977-78 Wyoming State Archaeologist's Office. *Survey Archaeologist*. Survey and excavation of Paleoindian bison kill sites, Archaic sand dune sites, terrace sites, tipi ring sites, a stratified cave, and shepherd camps.
- 1976-77 Oklahoma Historical Society and Oklahoma Archaeological Survey, *State Register Field Archaeologist* (SHPO Staff Archaeologist). Evaluation of sites and National Register Nominations.
- 1976 University of Oklahoma, Department of Anthropology, Field School in Archaeology. Student and *Graduate Assistant*. Excavation of Fourche Maline mound (McCutchen-McLaughlin site, 34LT11), Latimer County, Oklahoma.
- 1975-76 Oklahoma Conservation Commission. *Assistant Archaeologist*. Excavation and analysis of a stratified rock shelter in Atoka County, Oklahoma.
- 1975 Oklahoma River Basin Survey Project. *Field Archaeologist*. Excavation of Protohistoric Wichita Village in Kay County, Oklahoma.
- 1974 Oklahoma Highway Archaeological Survey. *Research Assistant*. Analysis and report writing of an Archaic site in LeFlore County, Oklahoma.
- 1973 Oklahoma Archaeological Survey, *Lab Supervisor* for a variety of archaeological projects.
- 1972 University of Oklahoma Research Institute, Norman. *Survey Archaeologist*. Survey of pipeline route from Arkansas to Texas borders. Location and evaluation of sites across Oklahoma.
- 1971-75 Oklahoma Archaeological Survey, University of Oklahoma. Positions: *lab assistant*, research assistant, lab supervisor. Survey and excavation at Paleoindian, Archaic, Woodland, Fourche Maline, Caddoan, Washita River, and historic sites. Survey of Paleoindian artifacts and analyses of ceramic and lithic materials. Darkroom work and report writing.

- 1991 **Honorary Life Member, Oklahoma Anthropological Society**. Presented at the Annual Meeting of the Oklahoma Anthropological Society, April 1991, Oklahoma City.
- 1990 Investigation of Seasonality, Herd Structure, Taphonomy, and Paleoecology at Folsom Bison Kill Sites on the Great Plains: 10,500 B.P. **Wenner-Gren Foundation** for Anthropological Research. P. I. (L. C. Todd co-P.I.)
- 1989 Further Investigation of the Folsom Bison Kill at Lipscomb, Texas. **National Geographic Society** (Grant #4103-89).
- 1987 Systematic Study of Folsom Assemblage Variability **Smithsonian Institution**, Short Term Visitor Appointment.
- 1986 An Archaeological Resource Overview for Water Resources Management District 5: The Great Plains. Funded by the **U.S. Army Corps of Engineers**, and the Arkansas Archeological Survey. (Co-PI with R. Brooks)
- 1984 Eva Horizon Chronology and Radiocarbon Date Interpretation in the Middle South United States. Funded by National Science Foundation through the Department of Anthropology, Radiocarbon Laboratory, **University of California, Riverside**.
- 1982 **Special Service Award, Oklahoma Anthropological Society**. Presented at the Annual Spring Meeting of the Oklahoma Anthropological Society, April 1982.
- 1978-79 **Archaeological Internship, Illinois State Museum**. Susan Cook House Internship, 12 months, Springfield, IL.

AWARDS AND GRANTS: Internal

- 2012 Linking Past Climates and Culture Change in the Central Great Plains, Republic County, Kansas. University of Kansas General Research Funds (#2301664)

- 2009 Lithic Comparative Collection Development (with Mary Adair). **Carlisle Smith Fund**, Department of Anthropology, University of Kansas.
- 2008 Modular Inter-Site Analysis in Folsom Archaeology and GIS Techniques for Plains-Wide Folsom Settlement Study. **University of Kansas General Research Funds**.
- 2005 Teaching Excellence Award. **University of Kansas Center for Teaching Excellence**. Chosen by graduate students in the Department of Anthropology.
- 2004 When Johnny Comes Marching Home, Vietnam Video Project (with Jane Gibson). Carroll D. Clark Fund. **Department of Anthropology, University of Kansas**.
- 2003 Digitizing Selected Archaeological Collections and Photographs, Museum of Anthropology, University of Kansas (Curator and Consultant) (with Mary Adair and Scott Shackelford). **University of Kansas Digital Library Initiatives Grant Program**.
- 2002 Dating the Oblique Flaked Horizon in Early Plains Prehistory. Carroll D. Clark Fund. **Department of Anthropology, University of Kansas**.
- 2001 Archaeology Adorned: Looking for Beads at the Waugh Site. **Carlisle Smith Fund, Museum of Anthropology**, University of Kansas. (support for undergraduate research assistant for processing Waugh site collections).
- 2001 Radiocarbon dating the Laird Paleoindian Site. Carroll D. Clark Fund, **Department of Anthropology, University of Kansas**.
- 1998-99 **Sabbatical Leave, University of Kansas**. Folsom Period Research in the Great Plains.
- 1998 Late Ice Age Hunters: The Archaeology of Bonebed Formation and Kill Site Activities at Solutre, France. **University of Kansas General Research Funds**.
- 1998 Projectile Point Function at the Domebo Clovis Site. Carroll D. Clark Fund, **Department of Anthropology, University of Kansas**.
- 1996 Technology and Camp Organization of Late Ice Age Reindeer Hunters in the Paris Basin: A study Using Stone Debitage. **University of Kansas General Research Funds**.
- 1994 Investigation of the 12 Mile Creek Site and Kidder Bison Bonebed in Western Kansas. **University of Kansas General Research Funds**.
- 1993 Archaeology of Early Bison Hunters on the Western Plains: Analysis of Collections. **University of Kansas General Research Funds**.
- 1993 Study of Folsom and Clovis Age Bison Remains. Carroll D. Clark Fund, **Department of Anthropology, University of Kansas**.
- 1991 Pleistocene Archaeology and Artifact Variability on the Southern Plains. **University of Kansas New Faculty General Research Program**.
- 1988 Paleo-Ecology of the Pleistocene-Holocene Transition on the Southern Prairie Plains: 15,000-9000 Years Ago. **University of Oklahoma Associates Research and Creative Activity Funds**.
- 1987 A Survey of Archaeological Resources and Evaluation of Buried Site Potential in Northwestern Oklahoma County, Oklahoma. Funded by the National Park Service through the **Oklahoma Historical Society**. (Co-PI with R. Drass)
- 1985 **Chancellor's Citation for Extraordinary Professional Promise**. Awarded April 24, University of Tennessee Chancellor's Honors Banquet.

INVITED LECTURES AND PROFESSIONAL PAPERS

- 2017 CULTURAL, TAPHONOMIC, and BIOGEOGRAPHIC CONSIDERATIONS of BLACK FOOTED FERRET (*MUSTELA NIGRIPES*) at the BURNTWOOD CREEK BISON KILL SITE, CENTRAL HIGH PLAINS, USA. (J. L. Hofman and B. M. Crable). Invited paper, Society for American Archaeology 83rd Annual Meeting, Session 2944 in honor of Walter Klippel. M. Dennison organizer. April 12, Washington, D. C.

- 2017 Basement Tape Measures: Survey of Stone Arched Cellars in Douglas County, Kansas (Josh Collins, Barb Crable, J. L. Hofman, Tom Parish, Franklin Conard). 47th Flint Hills Archaeological Conference, Lawrence, Kansas. March 24.
- 2017 In Pursuit of Folsom Archaeology: A Meandering Odyssey. Kansas Anthropological Association, Shawnee Chapter. Topeka, Kansas.
- 2017 Learning Folsom Archaeology: Rocky Trails, Conceptual Pathways, and Distant Horizons. Invited Speaker, Stone Age Fair, September 23. Loveland, Colorado.
- 2016 Prehistoric Tools of the Flint Hills. Invited Lecture and Demonstration. Woodfest, September 24. Elmwood, Kansas.
- 2016 Wabaunsee County Area Cave Tour (with Tom Parish). February 13. Volland Historical Society, Kansas.
- 2016 Geary and Riley County Area Cave Tour (with Tom Parish). March 17. Riley County Historical Society, Manhattan, Kansas.
- 2016 Paleoindian Occupation in Kansas. Invited Lecture, February 2. Kansas State University, Department of Anthropology, Manhattan, Kansas.
- 2016 Beyond Bison: An Early Holocene Feature at the Burntwood Creek Bison Jump Site (14RW2). (B. M. Crable and J. L. Hofman). 74th Plains Anthropological Conference, Lincoln, Nebraska.
- 2016 Hematite Beads: An Addition to Clovis Material Culture. (S. R. Holen and J. L. Hofman). 74th Plains Anthropological Conference, Lincoln, Nebraska.
- 2016 Pathways to Enlightenment: Rethinking Folsom Archaeology. Explorations in Archaeology, March 10. University of Kansas
- 2015 Bone Weathering and Site Formation at the Scheuerman Mammoth Site. (B. M. Crable, K. Bruner, J. L. Hofman, R. D. Mandel). 73rd Plains Anthropological Conference. Iowa City, Iowa.
- 2015 Stone Arched-Ceiling Cellars in the Republic County Area. Invited presentation, 35th Rock-A-Thon, March 16, Cuba, Kansas.
- 2015 From Bison to Cattle to Bison on the Spring Hill/Z Bar Ranch. Invited Panel Discussant. Symphony in the Flint Hills, 10th Anniversary, Grasslands of the World. Invited presentation. Cottonwood Falls, Kansas.
- 2015 Stone Arched-Ceiling Cellars in the Flint Hills. Banquet Speaker with Tom Parrish. Kansas Preservation Alliance annual meeting. Oct. 7, Manhattan, KS.
- 2015 A Probable Pawnee Hunting Camp on the Smoky Hill River, Kansas.(J. L. Homan and C. Hord). Paper presented at the 73rd Plains Anthropological Conference, Oct 15-17. Iowa City.
- 2014 Odyssey Archaeological Program, Retrospect and Prospects (J. L. Hofman and R. D. Mandel). Society for American Archaeology, 79th Annual Meeting. Austin, Texas.
- 2014 Artifact Description and Analysis Seminar. Kansas Anthropological Association, certification program seminar. Designed and taught Two day workshop, February 8-9. McPherson, Kansas.
- 2013 Evaluating the Earthen Form Construction Method for Early Historic Stone Arched Ceiling Cellars. 71st Plains Anthropological Society Conference, Loveland, Colorado.
- 2013 Testing Clovis and Folsom Ubiquity from the Continental Divide to the Plains-Woodland Border. (B. Asher and J. L. Hofman). Paleoamerican Conference, Santa Fe, N. M.
- 2013 Pawnee Archaeology: Recent Investigations of the late Eighteenth Century Kansas Monument Site, 14RP1.(with Mary Adair and others). 71st Plains Anthropological Society Conference, Loveland, Colorado.
- 2013 A Method for Assessing Confidence in Lithic Material Type Designation, A Case Study of Artifacts from the Nebraska Folsom Database (Emily Williams and J. L. Hofman). 71st Plains Anthropological Society Conference, Loveland, Colorado.
- 2013 Evaluating the Earthen Form Construction Method for Early Historic Stone Arched Ceiling Cellars. Kansas Anthropological

Association Fall Fling. Topeka, Kansas.

- 2013 Clovis Archaeology in Kansas, Current Research. Presentation to the Shawnee Chapter, Kansas Anthropological Association, Topeka, Kansas. January 28.
- 2013 Clovis Archaeology in the Central Plains Region, U.S.A. TER-QUA Symposium, Lawrence, KS.
- 2012 Clovis Archaeology in Kansas. Kansas Anthropological Association, Kansas Archaeological Training Program, Topeka, Kansas. June 9.
- 2012 Current Clovis Research in Southeastern Kansas. Kansas Anthropological Association, Annual Meeting, Meade, Kansas. April 21.
- 2011 The Allen Complex in the Central Plains. Nebraska Archaeological Society, Seward, Nebraska. August 27.
- 2011 Clovis, Folsom, and Allen Projectile Point Distributions in Kansas: Prehistoric Land Use or Collection Bias? (with Brendon Asher). 69th Annual Plains Anthropological Conference, Tucson, AZ
- 2010 Early Hunter Gatherer Archaeological Site Studies in the Texas Panhandle Region. Presentation at the 32nd annual Flint Hills Archaeological Conference, Perryton, Texas. March 18-20.
- 2010 Culture Change, Continuity, and Variability Across the Pleistocene-Holocene Boundary on the Great Plains and Rocky Mountains. 21st Biennial meeting of the American Quaternary Association. Laramie, Wyoming. August.
- 2010 Clovis Occupation of the Great Plains. 68th Plains Anthropological Conference. Bismarck, N.D. October 7.
- 2010 Distribution of Folsom Artifacts in Nebraska (E. G. Williams and J. L. Hofman). Presented at the 75th Annual Meeting of the Society for American Archaeology, April 15-18. St. Louis, MO.
- 2010 Current Research on Pawnee Archaeology (Mary J. Adair and J. L. Hofman). Presented at the 75th Annual Meeting of the Society for American Archaeology, April 15-18. St. Louis, MO.
- 2009 A Return to Pawnee Archaeology (with Mary Adair). Presented at the 67th annual Plains Anthropological Conference, Norman, Oklahoma, October.
- 2009 Honing the Edge: Pawnee Ground Stone Technology in the Contact Era. Presented at the 67th annual Plains Anthropological Conference, Norman, Oklahoma, October.
- 2009 2008 Investigations at the Kansas Monument Site: House 13 (with Andrew Gottsfield). Presented at the 67th annual Plains Anthropological Conference, Norman, Oklahoma, October.
- 2009 Low Probability Archaeology: A Douglas County, Kansas Example (J.L. Hofman, R. L. Hoard, and J.C. R. Hofman) 31st Annual Flint Hills Archaeological Conference. Topeka, KS. March 7.
- 2009 Peopling of the New World and Paleoindian Archaeology on the Great Plains Across the Pleistocene-Holocene Transition. Invited Presentation in Department of Geography graduate seminar, University of Kansas. March 12.
- 2008 How to Compare Paleoindian Assemblages: A Great Plains Example. Invited Paper, Clovis and Colonization of the Mid-Continent, symposium and workshop, University of Illinois, Urbana. April.
- 2008 Lithics at the End of Time. (Brendon Asher and J. L. Hofman). Paper presented at the 66th Annual Plains Anthropological Conference, Laramie, WY. October.
- 2008 Waldo R. Wedel and Pawnee Archaeology (Mary J. Adair, J. L. Hofman and D. C. Roper). Invited paper, 66th Annual Plains Anthropological Conference, Laramie, WY. October.
- 2007 Nebraska Folsom Evidence. (Emily Williams and J. L. Hofman). Paper at the 65th Annual Plains Anthropological Conference, Rapid City, S.D. October 11.
- 2007 Blown Away: Long Term Research at a Folsom site in West Texas. Archaeological Association of Southern Kansas, Wichita State University, December 13.

- 2007 Blown Away: Twenty Five Years of Research at the Shifting Sands Folsom Site in West Texas. Third Sunday Archaeological Lecture Series, Augustana College, Sioux Fall, S.D. February 19.
- 2007 The Evolution and Diversity of Mortuary Behavior in Northern Latitudes during the Early and Middle Holocene . Annual Meeting of the Society for American Archaeology, Austin, TX. April 28.
- 2007 The Kanorado Paleoindian Locality: New Interpretations and Radiocarbon Ages (S. Holen, R. Mandel, and J. Hofman). Paper presented at the 65th Annual Plains Anthropological Conference. Rapid City, S. D. October 11.
- 2006 Shifting Perspectives at Shifting Sands: Twenty Five Years of Research at a Folsom site in West Texas. Invited lecture, 66th Stone Age Fair. Loveland, CO. Sept. 23.
- 2006 Geoarchaeology of Early Paleoindian and Possible Pre-Clovis Cultural Deposits at the Kanorado Locality, Northwestern Kansas (Mandel, R.D., S. Holen, and J.L. Hofman). Program and Abstracts of the XIX Biennial Meeting of the American Quaternary Association p. 115-116. Bozeman, Montana, August.
- 2006 Geoarchaeology of Stratified Paleoarchaic Deposits at the Claussen Site (14WB322) in Northeastern Kansas (Mandel, R.D., J.L. Hofman, and C. Widga). Presented at the 64th Annual Plains Anthropological Conference, Topeka, Kansas, November.
- 2006 Research at the Burntwood Creek Site, Kansas (Jack Russell and Jack Hofman). Presented at the 64th Annual Plains Anthropological Conference, Topeka, Kansas, November.
- 2006 The 14SN106 Chipped Stone Assemblage: Paleoindian Technology and Activity Areas (S. Ryan, E. Williams, J. Hofman, S. Holen). Presented at the 64th Annual Plains Anthropological Conference, Topeka, Kansas, November.
- 2006 Blown Away: Twenty-Five Years of Research at the Shifting Sands Folsom Site in West Texas. Explorations in Archaeology Lecture Series, Department of Anthropology, University of Kansas. Oct. 23.
- 2005 Geoarchaeology of Early Paleoindian and Possible Pre-Clovis Cultural Deposits at the Kanorado Locality, Northwestern Kansas (Mandel, R.D., S. Holen, and J.L. Hofman). Geological Society of America Annual Meeting, Abstracts with Programs Vol. 37, No. 7, p. 154. Salt Lake City, Utah, October.
- 2004 Evolution of Human Occupation on the High Plains: Grass, Bison, and People. Invited presentation for the 18th Biennial Meeting of the American Quaternary Association, June 23 (abstracts volume, pages 35-40). Lawrence, Kansas.
- 2004 The Allen Cultural Complex in Western Kansas. Shawnee Chapter, Kansas Anthropological Association, September 27. Topeka, KS.
- 2004 Buried Paleo-Indian Landscapes and Sites on the High Plains of Northwestern Kansas. Co-leader of Geological Society of America Field Trip (with R. Mandel) November 2004.
- 2004 Late Quaternary Alluvial Stratigraphy and Geoarchaeology in the Central Great Plains, Co-leader of American Quaternary Association Field Trip (with R. Mandel and L. Bement) June 2004.
- 2004 The Laird Site (14SN2): A Late Paleoindian Bonebed in Northwestern Kansas. (J. L. Hofman and J. M. Blackmar). 62nd Annual Plains Anthropological Conference. Oct.13-16. Billings, MT.
- 2004 The Smoky Folsom Site. (M. Hickman and J. L. Hofman) 62nd Annual Plains Anthropological Conference. Oct.13-16. Billings, MT.
